

## CSYC CLUB POLICY

ORIGINATION DATE:	May 2, 2016
LAST REVISION DATE:	June 27, 2016
APPROVED BY:	CSYC BoD August 1, 2016

---

### **TITLE: Requirements of Boats Participating in Club-Only Races**

---

#### **RECITATIONS**

Colorado Sail and Yacht Club conducts certain yacht races that are only open to boats from CSYC, for example its spring, summer, and fall series races, as well as its Fiesta Regatta, Fagawi Race, and Pursuit Race.

#### **PURPOSE**

The purpose of this policy is to state certain requirements of boats participating in CSYC club-only races, with respect to membership in CSYC of their owners and crews, and with respect to their insurance.

#### **APPLICABILITY**

This policy applies to all boats participating in CSYC club-only races, and their owners and crews, and to the CSYC Board of Directors and Racing Chairperson for consistent enforcement.

#### **DEFINITIONS**

*Club-only race* – A yacht race conducted by Colorado Sail and Yacht Club that is only open to boats from Colorado Sail and Yacht Club.

#### **POLICY STATEMENT**

Any boat participating in a CSYC club-only race must meet all of the following requirements:

1. It must be owned by a general member in good standing of Colorado Sail and Yacht Club.
2. It must be insured by its owner with a policy covering liability for property damage and medical care.
3. It is not necessary for the owner or a CSYC member to be on board the boat during a race, unless required by class rules for a one-design class, but the owner is ultimately liable for any damage caused by the boat during the race, and ultimately accountable for the conduct of the crew during the race.
