

CSYC Pursuit Race Sailing Instructions

Here are our very informal rules for the 2017 Pursuit Race. As always the 2017-2020 Rules of Racing will cover anything not mentioned here.

The pursuit race is a two hour race where the start time for each boat is adjusted for their PHRF handicap. The start time is based on a boat with a PHRF rating of 270 leaving at 2:00 pm and all other boats delayed by a time calculated using PHRF TOT for a two hour race. See attachment for adjusted start times. Any boat with a higher PHRF will start at 2:00 pm.

The Pursuit Race will be held on Sunday October 8, 2016. A skippers' meeting will be at 1:00 pm at the Marina docks near the club bulletin board. The rules and start time for each class of boat will be covered.

The race will start at 2:00 pm near the no-wake buoys in Roxborough Cove. Two no-wake buoys will be designated by the race director as the start line. Each boat will start according to their adjusted start time.

The race course will be to marks 2, 3, 5, 2, 3, 5 ... etc. Racers will continue around the race course until the 3:30 pm time limit is reached. At 3:30 pm, the lead boats will continue to their next mark and then finish the race at the red-green buoys marking the entrance to the marina.

At 3:30 pm, the race director will announce over the VHF Channel 68, "It is 3:30 pm; the next mark for the lead boat is the final mark." After the lead boat rounds the next mark, the lead boat will announce over Channel 68: "Mark # is the final mark."

The course is now set for the finish. The first boat to cross the red-green buoys is the winner of the race.

Boat Start Times

Boat Class	PHRF	Start Time	Boat Class	PHRF	Start Time	Boat Class	PHRF	Start Time
Catalina 22	270	2:00:00		236	2:04:57		202	2:10:22
	269	2:00:08		235	2:05:06	Lone Ranger	201	2:10:32
	268	2:00:17		234	2:05:15		200	2:10:42
