April Seminar - Racing 101

Wednesday April 16, 2025
7:00 PM (come early to enjoy dinner)
The Original Brooklyn's
2644 W. Colfax Ave.
Denver, CO

Melissa Gorchynsky from Community Sailing will hold a discussion of the basic principles of sailboat racing including starts, right of way, and mark roundings. Information about the Colorado sailing clubs and events will also be available. This is a perfect introduction to those who have little to no racing experience and want to get into racing this season.
